# EasyLease by LaSalle Solutions

## THE RIGHT PARTNER CHANGES EVERYTHING

At LaSalle Solutions, we are committed to service, flexibility, and transparency through people, processes and technology. Since 1980, we have provided solutions and services that are customer-driven to deliver better business outcomes.

LaSalle delivers solutions to streamline processes and improve technology operations. LaSalle's EasyLease programs make it simple for you to acquire, finance, maintain, and replace rapidly depreciating assets on an as-needed basis, and preserves capital for continued business growth.

LaSalle Solutions is an independently operated company and a subsidiary of MB Financial Bank, N.A.
