LaSalle Solutions Named to the Monitor 100

Chicago, IL, USA – August 6, 2012 – LaSalle Solutions, a leading provider of IT life-cycle asset management services and tools, announced today it has been ranked #91 in the Monitor 100 Top Equipment Finance and Leasing Companies in the United States.

The Monitor 100 is published annually and ranks the largest equipment leasing and finance companies based on net assets and new business volume. The report is published in the July 2012 Monitor 100 Special Issue.

"We are proud to be associated with the Monitor 100 list," said Robert Metzen, President and CEO of LaSalle Solutions. "We appreciate this recognition on behalf of LaSalle Solutions' employees and customers."

About LaSalle Solutions:

LaSalle Solutions (www.elasalle.com) is a leading provider of life-cycle management services of technology and capital assets from acquisition and financing through IT asset management, maintenance and disposition. LaSalle's processes, outstanding customer service, and powerful online toolset LAMPSM, enable customers to more economically and effectively manage time, maintenance credits and equipment deployment, tracking and decommissioning.

Founded in 1980, LaSalle Solutions is an independently operated company and a subsidiary of MB Financial, a publicly traded Chicago-based bank holding company. MB Financial is traded on the NASDAQ as "MBFI."
