LaSalle Solutions Named to CRN's 2015 Solution Provider 500 List

List Ranks North America's Largest 500 Technology Integrators

ROSEMONT, Ill., June 11, 2015 — LaSalle Solutions, a leading provider of life-cycle management services, announced today that it has been named to The Channel Company's CRN® Solution Provider 500 (SP500) list. LaSalle Solutions placed 86th in the annual ranking, 16 spots higher than in 2014.

The annual list, spanning eight categories from hardware and software sales to managed IT services, recognizes the top revenue-generating technology integrators, MSPs and IT consultants in North America. Solution providers are ranked based on revenue, determined by product and services sales during 2014.

"We are proud to once again be recognized, and with an even higher rating, on the CRN SP500 list," said Steven Robb, president of the solutions group at LaSalle Solutions. "This honor is a testament to our continued growth and success, facilitated by our world-class customer service and commitment to delivering the right solutions to solve our customers' problems."

This is LaSalle's eighth time on the Solution Provider 500 List, improving its ranking each year. Other recent notable awards regarding LaSalle's dedication to customers are the Cisco Services Enterprise Partner of the Year (U.S. Central) award and the Cisco Customer Satisfaction Excellence Award for 40 consecutive quarters.

A sample of the 2015 SP500 list will be featured in the June issue of CRN Magazine and is featured online at www.CRN.com.
