LaSalle Solutions Named to CRN's 2017 Solution Provider 500 List

ROSEMONT, Ill., June 13, 2017 — [LaSalle Solutions](#), a leading provider of technology lifecycle management services, announced today that [CRN](#), a brand of The Channel Company, has named LaSalle Solutions to its [2017 Solution Provider 500](#) list. LaSalle placed 68th in CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue, six spots higher than in 2016.

The SP500 is CRN's predominant channel partner award list, serving as the industry standard for recognition of the most successful solution provider companies in the channel since 1995. This year, for the first time since 2010, the complete list will be published on [CRN.com](#), making it readily available to vendors seeking top solution providers to partner with.

"We are proud to have once again been named to the CRN's Solution Provider 500 list," said Steven Robb, president of the solutions group at LaSalle Solutions. "It is an honor to be named to the list each year, and we are thrilled to continue moving up in the rankings as our company and services grow. Our success comes from hard work and the trust we've built with our customers, and we will continue delivering value through our best-in-class technology solutions."

"CRN's *Solution Provider 500* list spotlights the North American IT channel partner organizations that have earned the highest revenue over the past year, providing a valuable resource to vendors looking for top solution providers to partner with," said Robert Faletra, CEO of The Channel Company. "The companies on this year's list represent an incredible, combined revenue of over \$318 billion, a sum that attests to their success in staying ahead of rapidly changing market demands. We extend our sincerest congratulations to each of these top-performing solution providers and look forward to their future pursuits and successes."

The complete 2017 Solution Provider 500 list will be available online at www.CRN.com/sp500, and a sample from the list will be featured in the June issue of CRN Magazine.

About LaSalle Solutions

Founded in 1980, LaSalle Solutions is a leading provider of technology lifecycle asset management services. LaSalle enables its customers to improve their technology operations through enhanced processes, management and reporting for better planning and return on investment.
