LaSalle Solutions Unveils New Website

Rosemont, IL, – October 7, 2014 – LaSalle Solutions is excited to announce today's launch of our newly redesigned website. The website can be found at the same web address www.elasalle.com.

The new website was redesigned with user-friendly navigation and is responsive to enable better viewing from any browser or device. Users will find everything in just a few clicks. The site provides visitors with an improved understanding of how LaSalle Solutions helps our customers more effectively manage their technology contracts and assets to ensure positive sustainable scalability, compliance and risk mitigation to bring better information, process and results to their bottomline.

The website continues to be the entrance point for LAMP, LaSalle's market-leading cloud-based toolset that provides customers with one location to track, view, and manage their technology assets, maintenance contracts and lease information. LAMP gives customers the business intelligence they need to enable positive changes to the organization's ROI.

We hope that our visitors find the site useful and valuable. Contact us at marketing@elasalle.com to provide feedback.
