**LaSalle Solutions Receives 2013 Best of Rosemont Award by US Commerce Association**

2013 marks the fifth consecutive year that the U.S. Commerce Association (USCA) has chosen LaSalle Solutions for their "Best of Local Business" Award.

**Rosemont, IL, July 17, 2013** – [LaSalle Solutions](http://www.lasalle.com), a life-cycle asset management company, today announced it has been recognized for the fifth consecutive year for the 2013 Best of Rosemont Award in the Computers, Peripherals & Software category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Nationwide, only 1 in 1000 (less than one-tenth of 1%) 2013 Award recipients qualified as Five-Time Award Winners. Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 USCA Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

"We are honored to once again receive the USCA Best of Rosemont Award," said Steven Robb, President –Solutions Group, LaSalle Solutions. "This recognition reinforces our dedication to providing the best services to our customers and to our community."
