LaSalle Solutions partners with TRG-AMR for 2016 race season

ROSEMONT, Ill., Jan 28, 2016 — LaSalle Solutions, a leading provider of IT life-cycle asset and maintenance contract management services, announced today that it will once again be a sponsor of the TRG-Aston Martin Racing North America team for the 2016 season. This will be LaSalle's second year as a sponsor after partnering with the team for the 2015 season.

LaSalle's partnership with TRG-AMR focuses on strong business-to-business, co-branding and high-end corporate hospitality events, including showcar appearances, media events and more. TRG-AMR plans to run LaSalle branding on all team equipment while competing in the Pirelli World Challenge and IMSA WeatherTech SportsCar Championship throughout the 2016 season and will host corporate events throughout the year.

"After an incredible race season in 2015, we couldn't pass up the chance to do it all again," said Steven Robb, president of the solutions group at LaSalle Solutions. "We continue to see value in being a part of the sportscar world and the opportunities that exist within the elite paddocks of these competitions, both for us and our customers. We are proud to once again be a part of the TRG-AMR team and look forward to winning together in 2016."

The announcement of this partnership comes in time for the season-opening 24-hour endurance race, the Rolex 24 Hours at Daytona, taking place Jan. 30-31 at the Daytona International Speedway in Daytona Beach, Florida. The race will be televised on FOX Sports 1 and FOX Sports 2, with online streaming available on FOX Sports Go for the full 24 hours. Coverage starts Jan. 30 at 2 p.m. Eastern time on FOX Sports 1.
